

# Material Safety Data Sheet

X-Factor

---

## 1. Product and Company Identification

**Product Identity:** X-Factor Bond Enhancing Spray

**Trade Name:** X-Factor Bond Enhancing Spray

---

## 2. Composition/Information on the Components

Aqua

Proprietary Polymer blend

**CAS Number:** None

**Risk Phrases:** None

**Safety Phrases:** None

---

## 3. Hazard Identification

**Main Hazards:** None when used for intended purpose. Clean up any spills with suitable material to avoid slip hazards.

---

## 4. First Aid Measures

**First Aid – Eyes:** Flush eyes with copious amounts of water

**First Aid – Skin:** Rinse with cold water and wash with soap

**First Aid – Ingestion:** This material is non-toxic but drink plenty of water and seek medical advice if required.

**First Aid – Inhalation:** Not applicable

---

## 5. Fire Fighting Measures:

Suitable for all regular extinguishing media. This product is not flammable so only necessary to attend to source of fire.

**Unsuitable fire fighting media:** Not applicable

**Special Protective Clothing:** None required

---

X-Factor

---

## 6. Accidental Release Measures:

- Personal:** Danger of slipping if product is spilled
- Environment:** Do not allow enter drainage system without flushing with copious amounts of water. No special precautions required.
- 

## 7. Handling and Storage

- Storage:** Store in original container in a cool frost-free place. Store between 5°C and 35°C. Keep out of direct sunlight.
- 

## 8. Exposure Controls/Personal Protection

- Hand protection:** None required
- Eye protection:** Goggles where necessary
- Body protection:** None required
- 

## 9. Physical and Chemical Properties

- Physical state:** Liquid
- Colour:** Off-White
- Odour:** Negligible
- pH:** At 20deg. Celsius – 5.1 to 6.9
- Flash Point:** Aqueous preparation - above 220°C
- Explosion Limits:** Not applicable
- Auto-flammability:** Not applicable
- Solubility:** Soluble in water-unlimited
- Viscosity:** 1-5 cps

## 10. Stability and Reactivity

**Conditions to Avoid:** None Known

**Materials to Avoid:** None known

**Hazardous Decomposition:** None known

---

## 11. Toxicological Information

In our experience, and according to the information available to us, this product is not harmful to health provided it is correctly handled and used according to the directions given.

---

**12. Ecological Information** Not Biodegradable - however this product is not harmful to the environment

---

**13. Disposal** Usual non hazardous waste management

---

## 14. Transport Information

**Class:** No special labelling required

**Packaging Group:** Non Specific/non hazardous

---

## 15. Regulatory Information:

**EC Classification:** NON-HAZARDOUS

---

## 16. Other Information

**MSDS first issued:** 18-September-2012
